	[example # 1] Surface Treatment (pothole)	On X Street, between X and X Avenues, [Jurisdiction]	Two large potholes to be filled on the south bound lane.	[Link or insert here if possible]				
	[example # 2] Repair (bike lane)	On X Blvd, between X and X Streets, [Jurisdiction]	A section of the eastbound bike lane on X Boulevard, closer to the X Street intersection is faded and could use new paint.	[Link or insert here if possible]				
	Previously submitted and reviewed but not completed							
1	Green paint	Guildford and Falcon	Add green paint to bike lane In intersection					
2	Green paint	loco and Murray	Add green paint to bike lane in intersection					
3	Repair (bike lane)	Port Moody, in front of Moody Station	There are lots of potholes on the official bike route in front of Moody Station, right at the intersection of Williams and Spring Street.					
4	Pavement Markings	Forest Park Way, north of David Ave	This designated bike route lacks shared lane markings. Please install sharrows.					
New Quick Fix Submissions								
5	Surface treatment	loco and Murray	Add green paint to get across loco at Murray. Thanks BTW for all the paint around Suter Brook :-)					
6	Surface treatment	Suter Brook trail from Murray Street to City Hall/ Rec Center parking lot	Add a curb cut at the City Hall end. The big bump into the City Hall parking lot is hard when my kid is in a child seat, or if there is a lot of shopping cargo on my bike. This change would improve the overall accessibility of this handy and under-rated little trail.	https://google.com/maps/1V1EX8iZ7zPZB23g7				
7	Maintenance and repair	In front of Moody Station	Repair bike lane in front of Moody Station	https://google.com/maps/BGw9KYfPbQm7Xrps9
