New Quick Fix Submissions							
1	Surface Treatment	Traboulay PoCo Trail, east side of bridge crossing-Gequiltam river	Collar from old bollard is a potential hazard. Remove or make flush		Metro Van		
2	Maintenance	Pitt River Bridge	Can the debris and broken glass in the bikeway please be swept up?		Pitt River Bridge is MoTI		
3	Maintenance	United Boulevard-Braid to the King Ed Overpass	Can the debris and broken glass in the bikeway please be swept up?		City of Coquitlam		
4	Surface treatment	Near northwest corner of Galensbury and Grover, Coquitlam	Please restore informal bike trail connecting the gap in Grover. Due to recent house construction, trail is no longer accessible. Just needs a little gravel added to the right of the "end of road" sign in the attached photo. https://www.google.ca/maps/d/u/0/262520_122_202672_211		City of Coquitlam		
5	Maintenance	Bike overpass over west bound Lougheed highway near Port Mann bridge	Trimming back trees and shrubs impinging on trail		City of Coquitlam		
6	Maintenance	Bike path from United Boulevard to Lougheed highway on ramp from Port Mann Bridge	Trimming blackberry canes and other shrubs		City of Coquitlam		
7	maintenance	ramp from United northbound onto Lougheed Highway east bound	Better and more frequent cleaning of bike lane.		City of Coquitlam		
8	Add signage and narrow bike lane to prevent car traffic	West bound Lougheed at Myrna	Add sign to right turn only- except bicycles. Narrow lane to prevent car and truck traffic from going through bike lane.		?		
9	Add wayfinding	Sheep Paddeck Trail at Millennium Bridge	Mary Hill/Shaugnessy, over the Millennium Bridge, on Sheep Paddeck Trail and same in reverse coming from Port Coquitlam. North Van uses some snazzy painted circles to direct people on the route. This could work well to help people follow the route. I know it's probably complicated with Metro Parks and Port Coquitlam, but I think the PDCO team would be keen to do what they can!		Metro Van		
Previously submitted but not completed							
10	Move garbage can or protect with something more visible and rounded	At the start of the PoCo trail just east of the Gillnetter pub (going east)	The entrance to the trail consists of a swing gate on the right and a garbage can on the left with a small gap between. The garbage can has a sharp edge which could seriously cut and injure a cyclist. Suggest placing a protective bollard to block the sharp edge.		Garbage can is away from travel path. No issue.		
11	Remove gates	Laurier Avenue at Coast Meridian	Remove gates. Not enough room for bikes (especially bikes with trailers) to go through safely.		Gates required for liability. Review for options 2021	common informal route that people take across town because it is near the Hyde Creek Rec Centre and it is a straight line to the east-west trail through the nature reserve. That whole intersection should be revisited to improve cyclist and pedestrian safety.	
12	Surface treatment	Coast Meridian at Overpass (NORTH END)	Install plastic pylons so cars cannot cut into bike lane		Pavement marking 2021 - Green conflict area		
13	Bike symbol + tune magnetic loop	Prairie and Shaughnessey	Currently cyclists can't activate the signal to get across Shaughnessey eastbound on Prairie. Instead they need to activate three pedestrian lights. There is a magnetic loop but currently it only		Cannot change signal. Referred to Infrastructure to install bike loop detector
